Location: New York, NY

A live audio webcast of the presentation at the Morgan Stanley Global Healthcare Conference will be available through the Investors & Media section of UNITY's website. An archived replay will be available for 90 days following the event.

### **About UNITY**

UNITY is developing therapeutics to extend healthspan by slowing, halting or reversing diseases of aging. UNITY's initial focus is on creating senolytic medicines to selectively eliminate senescent cells and thereby treat age-related diseases, such as osteoarthritis, eye diseases and pulmonary diseases.
